RE: APPROVAL OF THE SATUK CONSTITUTION, 2018 (REVISION 2024) AND THE UPCOMING SATUK ELECTIONS

We would like to notify the Student Fraternity that the University Management Board (UMB) at a meeting held on 5th March, 2024 received, discussed and approved the SATUK Constitution, 2018 (Revised 2024). This was following extensive engagement and participation from the student body in the revision process of the SATUK Constitution.

The approval of the SATUK Constitution, 2018 (Revised 2024) will now pave way for the SATUK Electoral Board to provide the guidance on the SATUK 2024/2025 election calendar. Consequently, the Chairperson of the SATUK Election Board will be issuing communication regarding this matter shortly.

In the meantime, we urge all the students who are yet to collect their Student Identification Cards to expedite the process in anticipation of the upcoming elections.

Lastly, on behalf of the University Management Board (UMB), we implore all the students to maintain peace and tranquility as we transition into the period of campaigns and electioneering.
