# We Value Your Feedback

## How you can compliment or complain about our services.

- Do you have and wish to report a complaint on any of our services?
- Do you have a matter that has not been resolved for a long time and would like to have it resolved?
- Are you happy with our services and would like to register your complement?

## Worry no more!

- Now we have made it easier for you to record your concerns and expect a prompt response.
- By using your smartphone connected to Internet, scan this QR code, key in your concerns and expect a response faster than you have never experienced before.
- You can also visit <https://bit.ly/tukfeedback>
