SUBJECT: RESOLUTIONS FROM A CONSULTATIVE MEETING WITH SATUK COUNCIL

Following a consultative meeting between the **University Management Board (UMB) and the SATUK Council**, the following resolutions have been made:

1. The **UMB, in consultation with the University Council, KUSU, and UASU**, is actively working to resolve the issues raised by staff to facilitate the **speedy resumption of academic programmes**.
2. Upon resumption, students will be given a period of **two (2) weeks** to revise before sitting for their final examinations.
3. The University has **resolved to recall the suspension letters** of six (6) students. The Vice-Chancellor will engage with the affected students in a **fatherly dialogue**.

The University remains committed to dialogue with both staff and students as a way of resolving emerging concerns.

Students are encouraged to remain calm as the University works towards resolving the current situation.
